Attachments: fdacs presentation 0527.pptx

All,

I added a bullet to slide 10 about a no effects determination per Ben's comment.

I also noticed a technical detail on slide 15 that I changed to say more correctly say "test for the presence of OX5034 Ae. aegypti in cryptic breeding sites" instead of "test for efficacy in cryptic breeding sites."

I didn't make any other edits.

Thanks.

Mike,

Chris asked me to take a look at this PowerPoint after all. Reviewing for content (as opposed to CBI), I only have one comment:

Ex. 5 Attorney Client (AC)

Ex. 5 Attorney Client (AC)

Ex. 5 Attorney Client (AC)

Thanks.

- Ben

Chris,

Can you look at and advise today? No CBI. We plan on sharing with Florida via Skype tomorrow. Thanks!

Mike
